## VISUAL COMMUNICATIONS DESIGNER

Accomplished, Adobe award-winning, creative designer. Visual communicator transforming text to clear, impactful, esthetically pleasing messages. Project lead to SMEs such as engineers and scientists to develop training courses, special events, branding, and campaigns. Strategize content for maximum retention rates in training or persuasion for stakeholder presentations. Keep current with new design technology. Art direct large, long-term projects on budget and by the deadline with highly satisfied customers.

## EXPERIENCE

- 2022  **SENIOR GRAPHIC DESIGNER**  
Lawrence Livermore National Laboratory – Livermore, CA  
[www.llnl.gov](http://www.llnl.gov)
- Project lead and designer in a wide range of visual communications including presentations, events, branding, environments, and websites. Lead and art direct junior designers, managing an average of fifteen projects at a time. Strength in technical illustration and storytelling for presentations. Manage lab-wide projects for internal and external audiences. Create high visibility training courses for the Department of Energy. Organize and design content from SMEs into instructional training courses using specialized programs. Utilize visual aids such as custom graphics, gamification, and animation to engage the viewer. Transform data from scientists and engineers into captivating visuals for investors, events, and public journals.
- 2019  **PRESENTATION DESIGNER**  
CBRE – San Francisco, CA  
[www.cbre.com](http://www.cbre.com)
- Worked closely with Brokers to compose data into multi-million dollar property presentations for Fortune 500 companies. Constructed illustrative maps, tables, and graphs for compelling interactive presentations and sales materials. Expert in unique programming for rare seven-screen Liquid Galaxy display.
- 2018  **SENIOR GRAPHIC DESIGNER**  
Friant Furniture – San Leandro, CA  
[www.friant.com](http://www.friant.com)
